Dear Andrew

I am writing in response to your written question reference WQ90284.

The total Welsh Government expenditure on the implementation of 20mph over the three financial years up to the 11 January 2024, is as follows:

Financial assistance to local authorities	£11,366,323.35
Consultancy	£1,072,832.90
Research	£1,152,722.75
Marketing	£230,288.96

The above costs are all within budget. We have invited local authorities to bid for funding for next financial year and we also anticipate, subject to final budget decisions, to incur expenditure on engagement, enforcement, and long-term monitoring.

Yours sincerely

Lee Waters AS/MS
