Dear Andrew RT Davies MS,

Thank you for your Written Senedd Questions (ref WQ91115/ WQ91116/ WQ91117), I am writing to you to set out the Government's position on the matter.

Regarding when will the Welsh Government will be able to share building remediation data, my answer to WQ90633 still stands.

To date, we have identified 329 buildings as part of the remediation programme, however this figure is subject to change as further buildings are identified, and more detailed information is gathered. Thirty-seven (37) have been confirmed as complete across the whole programme, this includes social sector (36 buildings) as well as buildings covered by the developer contract (1 building).

Yours sincerely
